

To All the Staff at Don Teets,

Many thanks for making our home a wonderful Christmas present! We are so grateful to you all. Don & Mary have been so kind and helpful throughout. Marya listened so well and put the design together that was perfect for us. She also did a lot of hand holding for reassurance on change. David is just wonderful. He is a very skilled carpenter and very professional in his attitude. We threw him some curves and he just went with the flow! The thing that stands out most about Teets Contracting is all of the staff's professionalism. It has been such a pleasure to talk to real people on the phone (not a recording) and to have questions answered in such a timely manner. Also, you kept your word. If you said you'd be here on such a day at such a time you were. You also manage to have your sub contractors on time and they too were professional. Thank you Janet for explaining change orders even though your billing is very detailed. Thanks to Anna for calling us with various messages. Jon & Billy are great workers and a lot of fun, we wish the best of health to Jon in 2008. It's been a great experience for us to have had you do our work. You make a great team. Happy Holidays and God Bless each of you.

At Christmas
 there is special joy in
 remembering those who hold
 a special place in our hearts...

That's why there is joy
 in remembering you!

Sincerely,
 Richard & Christine Polk
